HANOVER

INNOVATION RELIABILITY EXCELLENCE

"Believing that the achievement of excellence should be the standard not the goal"

- Enrich the quality of life for our team members by providing continuous training, growth and advancement in a supportive, safe working environment
- Provide the highest level of customer service through excellence by communicating our values and encouraging our customers to embrace its value
- Build customer rapport through trust and dependability to generate customers for life
- Enhance our product reliability in the North American market through continuous improvement
- Propel Hanover to the forefront of the passenger information system industry through organization wide innovation
